GitHub: <https://github.com/Wratten>

Aspiring young web dev with a varied background and an interest in UX/UI. Earned a certificate in Full Stack Web Development from the University of Western Australia Coding Boot Camp. I'm creatively-minded and find enjoyment in problem solving and learning as much as I can about development and project management.

Strengths and experience in creativity, teamwork, and building projects from ideation to execution.

TECHNICAL SKILLS

JavaScript ES6+, CSS3, HTML5, SQL, NoSQL, GitHub, MongoDB, MySQL, Express, React, Node, Handlebars, jQuery, Bootstrap
